SCRIPTURE READING

Luke 5:1-11

Faye Binsfeld

Once while Jesus was standing beside the Lake of Gennesaret and the crowd was pressing in on him to hear the word of God, he saw two boats there at the shore of the lake; the fishermen had gotten out of them and were washing their nets. He got into one of the boats, the one belonging to Simon, and asked him to put out a little way from the shore. Then he sat down and taught the crowds from the boat. When he had finished speaking, he said to Simon, "Put out into the deep water and let down your nets for a catch." Simon answered, "Master, we have worked all night long but have caught nothing. Yet if you say so, I will let down the nets." When they had done this, they caught so many fish that their nets were beginning to burst. So they signaled their partners in the other boat to come and help them. And they came and filled both boats, so that they began to sink. But when Simon Peter saw it, he fell down at Jesus's knees, saying, "Go away from me, Lord, for I am a sinful man!" For he and all who were with him were astounded at the catch of fish that they had taken, and so also were James and John, sons of Zebedee, who were partners with Simon. Then Jesus said to Simon, "Do not be afraid; from now on you will be catching people." When they had brought their boats to shore, they left everything and followed him.

Reducing Sleep-Related Deaths: A Community Effort: Did you know that between 2020 and 2023, there were 10 sleep-related deaths in the Tri-County area? The majority of these deaths were linked to unsafe sleep environments. Safe sleep practices are crucial

for the well-being of infants, and the Fox Valley Safe Sleep Coalition is working hard to reduce these numbers by educating our community about the importance of a safe sleep environment. The Fox Valley Safe Sleep Coalition is a partnership of regional health departments, health systems, and nonprofit organizations dedicated to spreading awareness about safe sleep practices. Our goal is to ensure that every family in our community has the knowledge and resources to create a safe sleep environment for their infants. To help raise awareness, we have created a Safe Sleep Environment Display that aims to educate the community on what a safe sleep environment should look like. Throughout the month of February, you will find a display in the narthex. Please stop by and click the QR code for more information! Please contact Amanda Hatch if you have any questions.

NOAHH Requests: A mom is requesting assistance providing (late) Christmas gifts to her 6 children. She was incarcerated for a significant amount of time and recently released. She would like to give gifts to them for Christmas but is unable to afford it. 1. 5-year-old girl, size 6 clothes. She is into "typical girl stuff." 2. The 2-year-old boy is size 2T. 3. An infant boy is size 12 months. 4. An 8-year-old boy is into superheroes. 5. 12-year-old boy is into video games, basketball, and other typical boy stuff. 6. 15-year-old girl is into self-care products such as bath bombs and candles. A mom is requesting assistance with obtaining these kitchen items: plates, bowls, cups, silverware, sippy cups, kid size utensils. She recently obtained her own housing and is working toward reunification with her children. These items will help her engage in successful visits with her children at her home and allow for her to provide meals for them. A full-sized bed frame is needed for a youth in out-of-home care. The youth lives in a foster home in Green Bay and is in need of this item. Foster mom has some physical limitations and would appreciate it if someone could deliver it. Contact Barb Mincheff at 920-832-5515 for pickup or drop-off.

New Membership Exploration Gathering: Are you new to First Congregational and want to learn more about our faith community? Would you like to find a place to ask your questions of faith and call your faith home? Then join Pastor Katherine and Pastor Nick after worship Sunday, **February 23**, 10:45AM-12:00PM in the Chapel. We'll be talking about our journeys of faith. We will share about this church, our theology, and get to know one another. We hope to listen to the story of your spiritual journey and the questions that have guided you to seek a new community. Please RSVP for the New Membership Exploration Gathering by signing up on the sheet in the narthex or by contacting the front office at info@uccappleton.org.

When you hear "The Isaiah Project," think "infrastructure." The Steering Committee and four Task Forces are prayerfully engaged in research, community partnership development, and discernment to provide recommendations to Church Council about our buildings, grounds, and neighborhood presence. These recommendations will address our current and future needs and support our mission and priorities.

The Isaiah Corner: At meetings of the Isaiah Project Community Partnerships Task Force, we frequently remind ourselves of one of our key commitments – to get to know our neighbors better so that we can be more useful in our neighborhood. Lately, we have been seeing some encouraging developments on that front. One example is growing interest in forming a registered neighborhood association for the area around the church. Vince Salvia, Director of Operational Ministries, and Co-Pastor Katherine Willis Pershey started these investigations last fall. Lately, the idea has attracted the attention of Martyn Smith, District 4 Alder, who has been promoting the formation of a registered neighborhood with his constituents. In addition, the City of Appleton is offering a series of Neighbors in Action workshops, beginning this week, for people to learn about the basics of neighborhood organizing and come together with residents from across the city to learn from each other. Several people who live near the church have registered to attend. These workshops are led by Julie Filapek, an experienced and energetic neighborhood organizer from Neighborworks Green Bay. On the Community Partnerships Task Force, we believe that our buildings and grounds can and should be of use not only to our congregation but to our neighbors as well. So, we are excited by these initiatives in the area around our church and eager to see what will emerge from them.

Summer 2025 Youth Volunteer Weekend: Current middle and high schoolers (6th grade-12th grade), here is a new opportunity if you aren't able to go on the week-long mission trip. Join us for a volunteer weekend, **Friday, June 20-Sunday, June 22**, getting to help clean up the UCC Camp, Daycholah Center, in Ripon, WI! When not working, you can also enjoy its beautiful land and activities! Bring your friends too! Please email Renae with questions or to sign up. rsalvia@uccappleton.org
