

Architectural Renderings and Plans

9 Goals Identified for Consideration

- 1. Increase ADA Access in all areas of improvement
- 2. Narthex issues not enough space to socialize
- 3. Sanctuary considerations sound, light, technology
- 4. Conference rooms and meeting spaces what is needed?
- 5. Optimization and renovation of fellowship hall/kitchen
- 6. Optimization and renovation of CYF building
- 7. Staff office configuration and location
- 8. Multifunctionality of office and meeting space
- 9. Good stewardship of our land, facility, and environment
